

## Quality Policy

Schofield Lothian is a consultancy that provides Professional Services within the Transport and Infrastructure, Property and Energy Market sectors.

Schofield Lothian is committed to consistently providing a professional high quality service, responsive to our Clients' particular requirements, through adherence to its established effective Business System (SBS) and a commitment to continuous improvement.

It is our objective to meet and exceed our Clients' expectations through:

- Understanding the needs and requirements of our Clients
- Developing and empowering our employees to meet those needs and requirements; and
- Continuously monitoring and improving our processes

The policy has been developed to comply with the requirements of ISO 9001:2008 and sets out our commitment to continually improve our performance.

We are currently developing our SBS to meet the new ISO:9001:2015 standard, in line with the transitional arrangements set out in the new standard.
